

## **WHO IS JESUS TO YOU?**

Marc Gibson

Jesus is someone who is hard to ignore. He claimed to be the Son of God and performed miracles. He was put to death and then was seen alive a few days afterwards. He is the central character of the Bible. He calls all men to follow Him. Our eternal destiny is dependent on our belief in Him. In view of all these things, who is Jesus to you?

### **A FLEETING THOUGHT?**

Perhaps Jesus is just a fleeting thought here and there as you rush through each busy day. Some days may be so filled with worldly activities that you don't take the time to think about Jesus at all. If Jesus holds the key to your eternal salvation, don't you think He deserves a bit more consideration than this?

### **A GOOD MAN?**

Certainly, Jesus was a good man, but He was so much more! He is the Son of God, sharing the nature of deity with the Father in heaven. He is worthy of honor and worship as the only begotten Son of God who gave His life for every person.

### **A \_\_\_\_\_?**

It may be that you don't know who Jesus is to you. But don't ignore who Jesus is – He will not ignore you. Jesus invites everyone to come to Him. He has something you desperately need – salvation from sin and the hope of eternal life.

### **A SAVIOR!**

This is who Jesus should be to everyone? This is why He came to earth. Will you come to Him and learn that He is “indeed the Christ, the Savior of the world?” (Jn. 4:42) Believe and obey Jesus as your Savior today!
